NOTICE TO ALL STUDENTS

REF: APRIL 2020 GRADUATION

On behalf of the University Management, I pray that this memo finds you well.

Please note that this is a follow-up to the communication sent from the Vice Chancellor, to all students on 16th March, 2020; on the “Implementation of the Presidential Directive on Corona Virus Pandemic”. After the release of that communique, a number of questions were raised on the upcoming graduation ceremony.

As a University, we are happy to state that we have concluded the September-December 2019 Semester examinations, and the lecturers will be finalizing marking of the supplementary and special examinations soon. Thereafter, the Senate will process the results; which will be communicated through the e-Learning Portal.

It is important to also note, that special arrangements will be made so that graduation takes place and certificates issued thereafter. In addition, the University is committed to continue offering services that do not require face to face interactions.

Lastly, you are advised observe the basic preventive guidelines outlined by the Ministry of Health and WHO to stop infections and spread of coronavirus.

Sincerely,

Prof. J. W. Khamasi, EBS
