CALL FOR APPLICATIONS

Student Mobility Program at Toulouse INP (2027)

ABOUT THE PROGRAM

DeKUT and The National Polytechnic Institute of Toulouse (Toulouse INP) have an Inter-Institutional Agreement on academic exchange in an Erasmus+ KA171 program.

Toulouse INP is a prestigious French graduate engineering institute founded in 1969 and based in Toulouse, the Capital of Space and Aeronautics and is a major hub for agritech, agricultural research and sustainable farming, in France.

Through this collaboration, Toulouse INP is welcoming applications from **DeKUT Masters students** for a six-month exchange program starting in February 2027.

Programmes Eligible for the Exchange Program

- Electrical Engineering
- Mechatronics Engineering
- Food Science
- Chemical Engineering
- Chemistry
- Remote Sensing

Interested applicants should apply through their respective CoDs/Directors
