In order for your son/daughter or you to participate fully in the learning process, kindly purchase a laptop, tablet or any internet enabled tool. The tool will allow him/her or yourself to access a wide range of reading materials available in the internet as well as those that will be availed electronically by the lecturer.

For advise on which device to provide, you can contact the University's E-learning Centre on 0708 803 849 or email us on elarning@dkut.ac.ke.
