

POST GRADUATE DIPLOMA IN TECHNICAL

- a) *Are you a graduate in an engineering or technology field?*
- b) *Do you aspire to be a professional trainer in the TVET sector?*
- c) *Do you wish to be registered as a TVET trainer?*

DeKUT Postgraduate Diploma in Technical and Vocational Education Programme is designed for you.

Aims of the programme.

The Postgraduate Diploma in Technical and Vocational Education (PGD-TVE) programme aims at providing prospective trainers with pedagogical skills and strategies that will enable them to train

AND VOCATIONAL EDUCATION (PGD-TVE).

using Competency-Based Education and Training (CBET) approaches. In addition, the programme will equip the student-trainers with competencies in TVET education management, planning, administration and financing; TVET Education Foundations, Educational Psychology, and TVET curriculum development and instruction. Successful completion of the programme will empower the student-trainer to embrace professionalism.

Target Client

If you have a Bachelor of Science in Engineering degree and/or Bachelor of Technology degree, you are eligible to join the programme.

Duration

Three semesters (one-year) programme.

Mode of Delivery

The trainees will have a virtual and in-person learning experience. Media and micro-teaching practices, formative and summative assessment tests shall be undertaken in-person at the University.
