**SUBJECT: REGISTRATION FOR ONLINE LECTURES (CLASSES) MAY-AUGUST 2020 SEMESTER**

On behalf of the University Management, I hope and pray that you are well. Please note the following:

1). **Information required:** DeKUT is in the process of procuring bundles for the students who are prepared to join remote learning classes (online classes). We planned to use your telephone number that is in the University student database; but we have realized most of you have other numbers. In this regard, we require the following details from you:

- a). Your telephone number.
- b). Your Programme of Study, Year of Study and the Semester.

To communicate the above information to the University, you should do the following:

- a). Login to the Student Portal.
- b). Click on “**Register for online lectures**” link, and fill the details as required.

2). **Issuance of bundles:** As a University, we note that a number of students have challenges accessing remote/online classes. Senate has therefore decided to provide bundles for ONE month to all students who will have registered by 5<sup>th</sup> June, 2020; and as they make arrangements to pay 30% of the requisite fee in due course.

It is for these reasons that all continuing students should register for online lectures by visiting the student portal and providing the required details before June 5<sup>th</sup> 2020.

I wish you good health.
