MESSAGE FROM THE CHAIRMAN DEDAN KIMATHI UNIVERSITY OF TECHNOLOGY COUNCIL

Dedan Kimathi University of Technology is a University which has three main pillars that enable it to implement its obligations. They are the provision of the highest educational level, quality of research, and service to the society. This Service Charter intends to implement this mandate.

This document intends to educate the public about the services that the university provides. In fact, this is a contract between the community and the university and its stakeholders. Similarly it will assist us to determine the quality of our services. It has been simplified in order to enable our customer to be attended to in the shortest time possible and locate any officer or department responsible for the services he requires. We recognize our responsibility to implement the services contained in this document.

This document considers useful feedback from the management of the university and various stakeholders.

As Chairman of the University Council, I would like to emphasize our responsibility to provide the best technological education since it is the key driver of economic growth worldwide. We aim to enable graduates to have skills that are needed in the job market both locally and internationally.

Prof. Dulacha B. Galgalo
Council Chairman
FOREWORD

DeKUT is a premier institution of higher learning, providing and promoting quality training and research in line with our country’s Vision 2030 aspirations. Its mandate is to develop manpower for the economic, cultural, social, technological and scientific development of our country.

This service charter is an expression of our commitment to improving our service and communication with you. The charter is also our public declaration to our clients of our commitment to the delivery of efficient, effective and quality services.

It is our hope that the use of this service charter will raise the quality of service and enhance the speed of service delivery including using it as a tool for reinforcing integrity, professionalism, effectiveness and satisfaction.

As we release this service charter, we call upon all the staff to uphold our promises and work as a team. We have a duty to do and be accountable for our actions.

Prof. P. Ndirangu Kioni
Vice Chancellor- DeKUT

PURPOSE OF THE CHARTER

The purpose of this charter is to enlighten our clients on the services provided by DeKUT.

It sets out the standards you should expect from us and is our public declaration to our clients of our commitment to the delivery of efficient, effective and quality services. It explains how one can obtain information and how to let us know the resolution mechanisms in the event of dissatisfaction and or concerns. The hallmark of our service charter is our promise to consistently provide professional and high-quality service.

VISION

To be a Premier Technological University Excelling in Quality Education, Research and Technology Transfer for National Development.

MISSION

To provide academically stimulating, culturally diverse and quality learning environment that fosters research, innovation and technology development towards producing relevant technical and managerial human resource and leaders to contribute to attainment of national development goals.

MOTTO

Better Life through Technology

PHILOSOPHY

Dedan Kimathi University of Technology is founded on the belief that self-actualization, and solutions to global challenges are attainable through a spirit of dedication, self-confidence, determination, and best utilization of resources. The institution
also believes in being globally competitive through the employment of global competencies. To actualize its beliefs and goals, the university is committed to investing in her staff, facilities and systems to ensure an internationally excellent environment for education and for the furtherance of her aims and objectives. The ultimate goal of this philosophy is to mold Dedan Kimathi University of Technology into an institution known for world class research, academic excellence, an exceptional student body, and one that harbors the highest level of innovation, creativity, scholarship and enterprises.

OUR MANDATE

To develop and implement programmes which are responsive to the needs of industry, conduct research and consultancy as well as fostering linkages with various stakeholders.

OUR CORE FUNCTIONS

(a) The functions of the University shall be:

(i) To provide education directly, or in collaboration with other institutions, and in so doing provide for the integration of teaching, research and effective application of knowledge and skills to the life, work and welfare of the citizens of Kenya.

(ii) To participate in scholarly work, the discovery, transmission, utilization, preservation and enhancement of knowledge and to stimulate the intellectual participation of students in the economical, social, cultural, scientific and technological development of Kenya.

(iii) To offer continuing professional development courses.

(iv) To determine the curriculum and its mode of delivery and to specify the admission criteria.

(v) To conduct examinations for and to grant and confer such academic awards as may be provided for in the Act and the Statutes.

(vi) To establish new Colleges, faculties, schools, institutes, departments, other resource and administrative units and centres.

(vii) To positively promote the general welfare of staff and students.

(b) Admission to the University or appointment and promotion of staff shall be open to all persons without distinction of race, ethnicity, place of origin or residence or other local connections, economic and social standing, colour, creed, physical ability or gender; pregnancy, marital status, religion, conscience, belief, culture, dress, language or birth.

OUR STRATEGIC OBJECTIVES

1. To produce quality graduates in line with the university’s mandate.

2. To generate research and innovations outputs with impact on the national development goals.

3. Transfer and commercialise technology from the University and other international institutions to the benefit of students, university and industry.
