SUBJECT: UPDATES ON REGISTRATION FOR ONLINE LECTURES (CLASSES)

I hope and pray that you are well. I also take this opportunity on behalf of the University Management, to thank all those who have responded to the call to register for online lectures.

Registration is a very simple process. Students are only required to visit the student portal, and fill their details which include a phone number. The University will provide internet bundles through the phone number provided.

Please note that the portal will close on Sunday 7th June, 2020 midnight. This is therefore a call to those who have not registered to do.

To register, a student is supposed to do the following:

- a). Login to the Student Portal.
- b). Click on “**Register for online lectures**” link, and fill the details as required.

Lastly, remember to observe the Ministry of Health guidelines on ways of limiting the spread of COVID 19 infection.
