UPDATES TO STUDENTS REPORTING ON CAMPUS ON 5TH OCTOBER, 2020

On 30th September, 2020, the University communicated the opening dates to 4th and 5th year students, 2020/2021 academic year.

Today I am writing to remind you that you shall be expected to adhere to GoK/ Ministry of Health Guidelines on prevention of the spread of coronavirus as issued from time to time and in particular, you are required to:

1. Wear masks when on campus at all time.
2. Keep social and physical distance of at least 1.5 meters while interacting with other students and staff.
3. Wash your hands regularly with soap and running water as need arises, and at the very list, once every two hours. Alcohol-based hand cleaners are also effective.
4. Not share utensils, clothing, face masks or any personal effects with anyone.
5. Dispose used face masks in the designated bins.

In addition, you are expected to adhere to all rules and regulations governing the conduct and discipline of students of the University.

Please note that these guidelines are meant to prevent the spread of covid-19 among the students of DeKUT and the neighborhood.

All students are therefore expected to conduct themselves with the highest standard of integrity, personal discipline and morality, and take personal responsibility to help stop the spread of the virus in Kenya.

Welcome back to your University.
